

A large, dense, black, abstract, textured shape resembling a stylized, thick, and irregular line or a heavily textured brushstroke, set against a white background. The shape is composed of many small, overlapping, and slightly irregular black segments, giving it a grainy, almost pixelated appearance. It forms a horizontal, somewhat elongated structure with many internal details and protrusions, suggesting a complex, organic form. The overall effect is that of a high-contrast, black-and-white image of a textured surface or a very thick, irregular line.
